

Certificate of Conformity

Manufacture: SAUDI VITRIFIED CLAY PIPE CO.

Fugro-Suhaimi Ltd. (FSL) is pleased to submit this report on laboratory tests witnessed by our representative on clay pipes at Saudi Vitrified Clay Pipe Co. facilities in Riyadh during 28 July to 01 August 2021.

The samples were collected randomly from the stock which include the sizes:

DN 100 & DN 150 mm System F

DN 200 up to DN 1000 mm, System C, Both Class SS & ES.

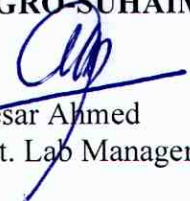

The Laboratory Tests were witnessed by our representatives in accordance with the test method procedure outlined in EN 295-3:2013 & ASTM C 301.

According to test results the tested samples comply with EN 295-1:2013, QCS 2014, GSO EN 295-1:2008, and ASTM C 700 requirements and all (SS) Pipes comply with ASTM C 700 Extra Strength requirements.

We also observed that the pipes inspected and ready for shipment were properly packed in pallets, such that individual pipe was not touching each other as soft wood cushions were placed between them.

If you have any questions or we can be of further assistance, please do not hesitate to contact us.

Regards,
FUGRO-SUHAIMI LTD.

Nesar Ahmed
Asst. Lab Manager - Riyadh Branch
